BEST OF ENTREPRENEURSHIP ASIA SERIES

Theme: AgriTech: Feeding the Future

Date: 28th August, 2024

ITCN Asia, Expo Center, Karachi

As per the World Bank, agricultural productivity must increase by 60% by 2050 to meet the rising food demands of the growing population. Moreover, the International Trade Centre (ITC) reports that every 1% increase in agricultural productivity leads to a 0.6% increase in regional trade.

Considering the urgent need for accelerating food security measures for our member states, ICCD's first event under the BOE, Asia regional series is on the theme of AgriTech Feeding the Future. The conference will bring together regional Agri business leaders and institutions to share successful business models and best practices for transitioning towards a digital future that can fast track regional trade and investments. Through dynamic panel discussions and interactive sessions, the event will further explore opportunities and challenges in leveraging agri-tech solutions to enhance regional trade and drive sustainable economic development in agriculture. Participating countries include Azerbaijan, Uzbekistan, Tajikistan, Turkmenistan, Brunei, Indonesia, Malaysia, Thailand, Iran, Afghanistan.

Honorable members of Islamic Chamber of Commerce and Development

السلام عليكم ورحمة الله وبركاته

Invitation to attend the launch “The Best of Entrepreneurship series”

August 28th, 2024 - Karachi Expo Center, the Federation of Pakistan.

September 17-18th, 2024 - Fifth District, the Arab Republic of Egypt.

The General Secretariat of Islamic chamber of commerce and industry (ICCD) offers its greetings and sincere salutations.

In pursuit of the ICCD’s mission to promote and develop the private sector and support entrepreneurship in member’s countries, we are honored to announce and to invite the esteemed chambers members to participate in the "Best of Entrepreneurship" (BOE) series” in Egypt and Pakistan.

- The inaugural event of "**Best of Entrepreneurship**" in **Karachi** gather delegates and international speakers from Azerbaijan, Indonesia, Malaysia, Kyrgyzstan, Kazakhstan, Uzbekistan. This year's series is themed around “Agri-Tech: Feeding the Future “. The agenda includes speeches, panel discussions, B2B , B2G meetings and a Gala dinner for international delegates and government entities in Pakistan to promote ongoing investment facilitation efforts and opportunities for regional business growth.

This event is organized in collaboration with the Federation of Pakistan Chamber of Commerce and Industry (FPCCI), the Investment Technology Promotion Office (UNIDO-ITPO) in Bahrain, and ITCN Asia. This synergy will allow a place for further discussions on the topic of technological advancements and its revolutionary effect on sectors, especially the agriculture sector.

- **The "Best Entrepreneurship in Cairo"**, This series will gather 10 African and Arab chambers to showcase outstanding entrepreneurial achievements and feature a training workshop titled "Finance in Entrepreneurship," focusing on digital transformation and artificial intelligence. The event is in cooperation with the Federation of Egyptian Chambers of Commerce and will highlight successful business models in these areas, with a competition for entrepreneurs judged by a scientific committee. The winners will receive technical support and promotion from ICCD, the Federation of Egyptian Chambers of Commerce, and the Entrepreneurship and Innovation Center of the Arab Academy for Science, Technology, and Maritime Transport.

We eagerly anticipate your participation in these transformative events, which promise to be a catalyst for growth and collaboration. By joining us, you will not only engage with leading experts and innovators but also foster valuable connections and open new avenues for regional and global business expansion. Your involvement will contribute to the collective success of our entrepreneurial community, driving forward impactful changes and creating a lasting positive influence.

Kindly find attached the Event Brochure & Agenda for your review and consideration and feel free to contact the General secretariat of ICCD at MRM@iccdglobal.com to confirm your participation and for any questions regarding the event.

Please accept the assurances of our highest consideration.

The General Secretariat
